Important Notice:

The term “Abdul Latif Jameel” refers broadly to several distinct, separate and independent legal entities. Abdul Latif Jameel is not itself a corporate entity, association or conglomerate run by an overarching parent company but this term merely refers to a group of distinct and wholly separate legal entities that are collectively referred to as Abdul Latif Jameel. Abdul Latif Jameel is not a corporate group as defined in section 1161(5) of the UK Companies Act 2006.

The Abdul Latif Jameel name and the Abdul Latif Jameel logotype and pentagon-shaped graphics are trademarks or registered trademarks of Abdul Latif Jameel IPR Company Limited.

This presentation may contain forward-looking statements. Forward-looking statements are statements regarding matters other than historical fact, such as future results, events, activities, developments or circumstances or the beliefs, plans or expectations of Abdul Latif Jameel entities or their respective managements. Forward-looking statements often can be identified by the use of words such as ‘expect’, ‘project’, ‘anticipate’, ‘plan’, ‘estimate’, ‘believe’, ‘predict’, ‘intend’, ‘potential’, ‘possible’, ‘probable’, ‘likely’, ‘forecast’, ‘guidance’, ‘outlook’, ‘goal’, ‘target’, ‘may’, ‘will’, ‘should’ or ‘could’ or other similar terms or phrases. However, the absence of such words does not mean that a particular statement is not forward looking.

Forward-looking statements are based on expectations and assumptions at the time of such statements and are subject to numerous risks and uncertainties, many of which are outside the control of Abdul Latif Jameel entities. Should any of such expectations or assumptions prove incorrect, or should any of such risks or uncertainties materialize, actual future results, events, activities, developments or circumstances may differ materially from those expressed in or implied by forward-looking statements. Further, any forward-looking statement speaks only as of the date on which it is made, and Abdul Latif Jameel do not assume, and hereby disclaims, any obligation to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise.

All forward-looking statements made by Abdul Latif Jameel, or by any person on behalf of any of them, whether communicated in writing, electronically or orally, are qualified in their entirety by the foregoing cautionary statements.

Since 2003, BRJ Services has supported more than 35,000 entrepreneurs in Saudi Arabia, providing a comprehensive suite of business services designed to help SMEs, startups, and business owners achieve commercial ambitions. BRJ Services is dedicated to enabling entrepreneurs with digital tools and resources to run and expand their businesses.

Nafisa Shams

Established in 2006 to provide women with an integrated work environment to help produce high quality artisanal products. Achieved through specialized training programs and production lines, such as the work from home program, which empowers Saudi women to achieve a balance between family and the job market.

Art Jameel

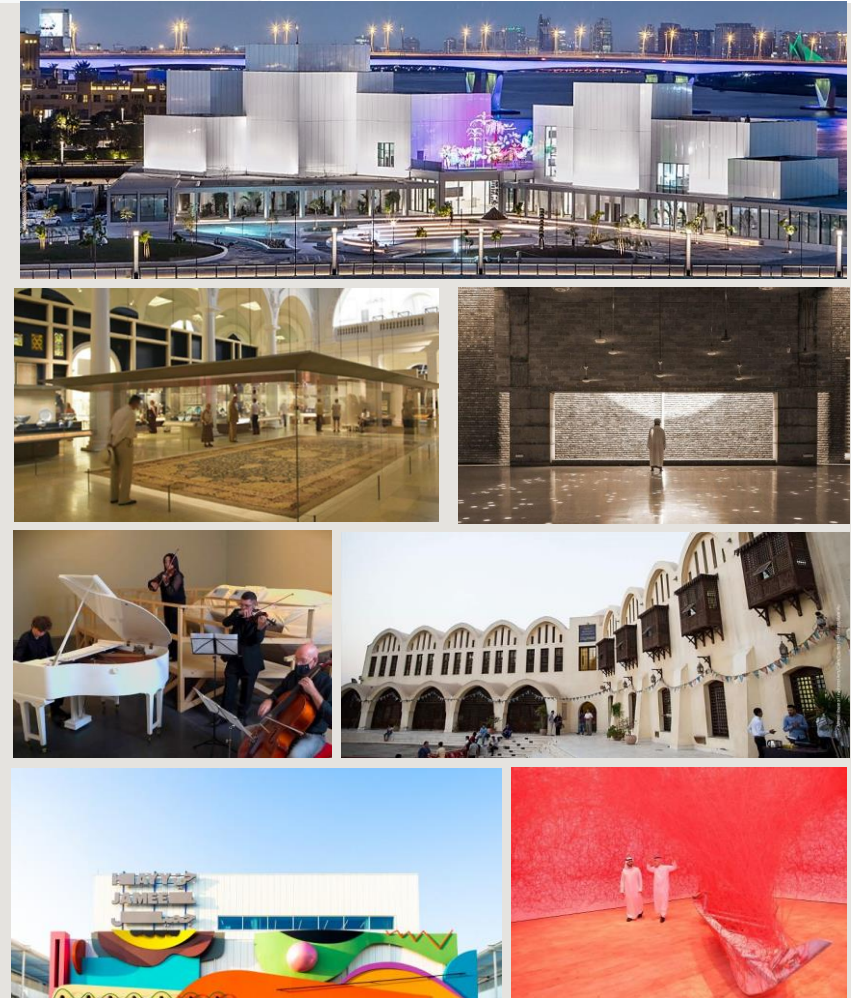

Launched in 2003, Art Jameel produces exhibitions, commissions, learning and research programs (including in Egypt, Saudi Arabia & UAE) and heritage institutes (in Jeddah and Cairo) and restoration programs.

Art Jameel aims to foster the role of the arts in building open, connected communities; at a time of flux and dramatic societal shifts, this role is understood as more crucial than ever: (overview video [here](#)).

Jameel Arts Centre, an innovative contemporary institution in Dubai, UAE, opened on November 11, 2018; Hayy Jameel, a major complex for the creative industries in Jeddah, Saudi Arabia, launched in November 2021.

Art Jameel's model is collaborative: major institutional partners include the Metropolitan Museum of Art, the Prince's Foundation School of Traditional Arts and the Victoria and Albert Museum.

Community Jameel Saudi

Innovating for a better future

Community Jameel Saudi is a foundation aimed at supporting and enriching the local community through five areas of development. Inspired by Saudi Vision 2030, Community Jameel Saudi is committed to accelerating the Kingdom's development strategy by spearheading a wide range of initiatives and programs.

Our development areas converge to achieve a strategic goal, providing well-suited employment opportunities for the youth.

1. **Competency development:** we are dedicated to supporting Saudi men and women continuously nurture their technical skills to match job market requirements. The foundation has developed partnerships with various entities including Bab Rizq Jameel Recruitment and Injaz Saudi. We have also introduced community-engagement programs such as the Comedy Jameel Competition and Tanweer.
2. **Women empowerment:** In recognition of the important role women play in Saudi Arabian society, Nafisa Shams Academy for Arts and Crafts was established as a platform to offer specialized training and incubator programs.
3. **Community well-being:** We have long been committed to maintaining the health and wellbeing of Saudi society, and establishing the Abdul Latif Jameel Hospital, Jeddah in 1997, and contributed to the realization of the King Salman Center for Disability Research in 1992 in Riyadh.
4. **Entrepreneur advancement:** We supports startups, and small and medium sized enterprises by providing micro-loans, technical assistance and knowledge-based expertise in partnership with Bab Rizq Jameel Microfinance, Bab Rizq Jameel Services, and MIT Enterprise Forum Saudi and Pan Arab to help facilitate and empower entrepreneurs with the proficiency essential for growth and success.
5. **Humanitarian initiatives:** Numerous initiatives - directed at enriching knowledge; generating future opportunities; contributing to empowerment in society and expanding education and learning expertise.

Innovating for a better future

Community Jameel is an international organization tackling some of the world's most urgent challenges, using a pioneering approach grounded in evidence, science, data and technology and powering innovation for a better future.

Founded by Mohammed Jameel KBE – a graduate of MIT and engineer by training – Community Jameel employs a new approach to creating impact, by driving new scientific and technological breakthroughs and innovations in the fields of education, health and climate, with a commitment to evidence-based policymaking in global development.

We seek to leverage the power of science, technology and learning to achieve transformative positive change in the lives of people around the world, especially those most in need.

We look to strengthen systems, optimize the conditions for breakthroughs in education, health and climate resilience, and deliver innovative solutions to those who need them most.

We take a collaborative approach, working with global research and educational institutions, and with grassroots and international organizations in the field.

The work enabled and supported by Community Jameel has led to significant new breakthroughs and achievements; including the discovery of the new antibiotic Halicin, critical modelling on the spread of COVID-19 and a Nobel Prize winning approach to global poverty alleviation
